

**Position: Lead Special Education Teacher**

Midlands STEM is a tuition-free, K-12 public charter school in the heart of Winnsboro, SC. We currently have one class per grade level and just under 200 students. We are seeking a certified Special Education instructor for the 2021-2022 school year. The Special Education teacher will be required to teach resource, academic strategies, and possibly High School Credential classes if needed. During the pandemic, teachers will be required to teach face-to-face students and virtual students simultaneously.

Individuals wanting to apply should be flexible and creative, to assist our scholars to through innovative, individualized learning experiences and create avenues for success. We offer competitive salaries (see our website) and all technical training and support needed for the position as well as paid professional development throughout the year.
