

**Position: Elementary Teacher**

Midlands STEM is a tuition-free, K-12 public charter school in the heart of Winnsboro, SC. We currently have one class per grade level and just under 200 students. We are seeking a certified Elementary instructor for the 2021-2022 school year. During the pandemic, teachers will be required to teach face-to-face students and virtual students simultaneously. Individuals wanting to apply should be flexible and creative, to expose our scholars to innovative, hands-on, cross curricular learning experiences and create avenues for self-expression. We offer competitive salaries (see our website) and all technical training and support needed for the position as well as paid professional development throughout the year.
