## ID Policy

### K – 5<sup>th</sup> Grades

September 19, 2019

Dear Parents and Guardians:

As part of Midlands S.T.E.M. Institute’s continuing efforts to provide a safe learning environment, all students and faculty/staff are required to wear ID badges.

MSI’s K-5th ID badge procedures are as follows:

K-2nd grades students will only be required to wear their IDs during lunch. 3rd-5th grades students will be required to wear IDs during the entire school day. All K-5th IDs will be left with homeroom teachers at the end of each day. Teachers will set producers within the classroom for administering and collecting IDs daily.

ID badge policies are as follows:

- ID badges may not be altered in any manner.
- The photo side of the ID should be visible at all times.
- ID badge replacement cost is \$4.00.
- Lanyard replacement cost is \$1.00.

Thank you for your help and support.
